WEEK OF THEFTS IN DISTRICT

- Homes entered
- washing stolen

Altona residents suffered a spate of thefts last week when money and other valuables were taken from three homes and washing was stolen from two clothes lines.

Two of the houses entered were left unlocked by their owners.

The thefts started last Wednesday when two pairs of girls' jeans were stolen from a washing line in Seaholme.

Reporting the theft to Altona Police, Mrs. Anne Boyle of Central Avenue, said the clothing was taken from the line between 11 p.m. on Wednesday and 5.30 a.m. on Thursday.

On Thursday between 8.30 a.m. and 3.30 p.m.

a thief visited the home of Mr. Roy Swift, in Lindwood Avenue, and stole \$8 in notes and silver and a transistor radio valued at \$22.

Other valuables were left untouched by the offender who gained entry to the house by opening an unlocked back door.

Money was stolen from two more homes on Friday, when the

dwelling of Mr. Francis Howard of Blyth Street, and Mr. Leslie Hayes of David Street were entered.

Two louver windows were broken and three removed at the home of Mr. Hayes so that a thief could enter and steal \$7 in notes and 20-cent pieces.

And \$40 in cash was stolen from Mr. Howard's home when a thief entered by opening an unlocked back door.

Both thefts were believed to have occurred on Friday morning or before 2.15 p.m.

Park ravaged by vandals

Vandals who visited Logan Reserve on Cup Day last week, ripped up 30 small trees and shrubs and threw them into a heap at the centre of the reserve.

Reporting the incident to Altona police last week, city ranger and by-laws officer, Mr. R. Heyen, said there were no suspects because warm weather on Cup Day had attracted hundreds of people to the Pier St. reserve.

Mr. Heyen said he believed that the offenders

together with the intention may have heaped the trees of burning them.

The trees, of mixed varieties, were insured.

FACTORY VISIT

Altona councillors were the guests of the management of Australian Synthetic Rubber Co. Ltd., on Tuesday when they visited the plant in Maidstone Street.

After inspecting the plant, councillors were invited for drinks and a meal.

BIGGEST

The biggest theft took place between 9 p.m. on Friday and 10 a.m. on Saturday when \$130 worth of clothing was stolen from a washing line used by Mr. and Mrs. Steven Herman of Queen Street.

The clothes were left on the line outside the Queen Street flats and were missing when Mrs. Herman went to collect them on Saturday.

Amongst other thefts and breakings last week were two breakings involving houses under construction at the Wimpey Estate and in Seagull Avenue, Altona West.

Altona lucky in storm

Boats were ripped from their moorings and smashed against the sea wall and 200 sheep died in a Kororoit Creek Road paddock when the storm hit Altona last weekend.

But overall damage in the city was relatively light according to the city engineer, Mr. R. Simmons.

Some streets and gardens in the city were flooded but as far

as he knew water had not entered any houses in Altona, Mr. Simmons told the Star.

He said a few young trees had been lost, but council's superintendent of parks and gardens had been relieved to find that damage overall was very light.

"We lost quite a bit of sand immediately west of the pier," said Mr. Simmons.

"And of course some

of the sea bed was washed on to the road, but this is all being cleaned up," he said.

The council had two work gangs attending to cleaning up operations and minor flooding on Monday.

He said he believed the sheep which died in a Kororoit Creek Road paddock had been shorn recently and fell victims to the cold snap.

Minister firm on name

The Minister of Education, Mr. Thompson, has stood firm on the Education Department's decision to name Altona's third high school, Paisley High.

Replying to a letter from Altona Council, Mr. Thompson said he had discussed the question with the principal designate of the school who was strongly in favor of the name Paisley High School.

Mr. Thompson advised council that the principal designate was Mr. David Collins of the Williamstown High School staff.

He added that in the circumstances he did not propose to rename the school at this stage.

IN REMEMBRANCE

The Mayor of Altona, Cr. Pat Lynch JP will place a wreath at the cenotaph, Civic Offices, Altona, tomorrow which is Remembrance Day.

Representatives of the Altona branch of the R.S.L. will also attend the ceremony and place wreaths.

Altona's Town Clerk, Mr. Jim Waters says that afterwards two minutes silence will be observed in recognition of those who made the supreme sacrifice in world wars and other conflicts.

The ceremony will be held at 11 a.m.

DANCE

The Altona Elderly Citizens' Club will hold its annual dinner dance on Thursday, December 23.

Traders combine in shopping feature

This issue of the Star carries the first edition of the 'Altona Trader' — a four-page buying guide for local mums packed with value specials and a virtual directory of all top local services available.

Mr. Frank Smith, newly re-elected Altona Chamber of Commerce president, said today that the "Altona Trader" was a wonderful innovation — an excellent bargain guide for shoppers and a show window for traders to display their wares.

He also said: "To shop in the Altona district is pleasant. There are no parking worries. You have a wide selection of shops and merchandise to choose from and I'm sure that you will find the shop-

keepers pleasant to deal with.

"There's no doubt in my mind that prices in the area are competitive with other centres.

"This business about some large centres being cheaper is a myth.

"You must also remember that shopping in the Altona district gives employment to local people, which is important in these days of a rising unemployment rate."

Altona boys take swimming honors

The Red Dolphin badge shows that a cub has swum one mile...

And in the western suburbs only two boys — members of the second Altona Scout Group — have accomplished the feat.

The are Kevin Arnold and Peter Greulich of Altona North, both aged 10 years.

The feat is even more remarkable in that it was done on a time of only 45 minutes.

The boys made their swim in the Footscray pool over 64 lengths and the scout group's Akela, Mrs. Betty Macpherson, said that everyone had been amazed at the boys' performance.

She said, "No one believed that the boys would make the distance — let alone in the time — and we are very proud in the group that two of our boys have done so well and gained a badge which

is such a rare accomplishment.

Year only

Kevin has only been swimming for a year.

And it was on the suggestion of his doctor that he took up the sport.

Kevin was having breathing difficulty and his doctor suggested that he take up swimming to help relieve the problem.

Peter's family encouraged him to take up swimming two years ago. He comes from a family which believes swimming is a priority safety measure.

Both boys say that they were confident of being able to swim the mile and could have managed at least a further quarter mile.

They are now thinking ahead to their Silver Dolphin — 10 miles and Golden Dolphin — 50 miles badges.

PROUD AND PLEASED...

Proud and pleased, Mr. and Mrs. Michael Greenfield are seen leaving St. Eanswythe's Church of England, Altona, after their marriage. The bride, formerly Miss Diana Cugley, is the daughter of Mrs. V. Cugley, of 67 Blyth Street, Altona, and the late Mr. Cugley. Michael is the son of Mr. and Mrs. D. Greenfield, of 48 Upton Street, Altona. The couple honeymooned in Queensland.

Garden fair to aid animal relief

Williamstown and District Animal Relief Society will be holding a garden fair at the home of Mrs. Dwaight, 62-63 The Strand, Williamstown from 10.30 a.m. to 4 p.m.

There will be various stalls, and a barbecue. A little known work of the society is helping those who can't afford the cost of veterinary attention for their pets and it also provides transport for pets in some cases.

If you have any gifts for the society, ring Mrs. Dwaight on 391 1296.

FOR HIRE

Concrete mixers, wheelbarrows, welders, trailers, high pressure spray painter, party lights, trestles, floor cramps, pipe dies, chain blocks, other tools.

Altona North High's best

Altona North High School broke with tradition at its presentation night on Thursday, October 28 at the Richard McGill Memorial Hall.

In an informal atmosphere, the 'Rhythmaires' provided music for old time dancing and the form six group, 'Fluency' belted out modern music for the young generation.

With the best of entertainment for all tastes, the generation gap was broken.

The hall was decorated to great effect with posters portraying certain teachers in their characteristic pose.

Highlight of the evening was the presentation of awards to 60 students.

James Morton was dux of the school with Karolina Ljubic second in Maths-science.

Sue Healey was top in humanities with Janet Brundrett second.

CITIZENSHIP

Citizenship awards were presented to Susan, Jeratsch and Peter Rogash by Mrs. Somers, wife of Cr. Somers, representing the Mayor of Altona.

The following students gained teaching student-ships:

Hazel Boyd, Margaret Darling, Alan Durbridge, Dianne Freeman, Doreen Hartfield, Robert Hugo, Janice Kemp, Brigita Miezi, Christine Mortin, Christopher O'Brien, Heather Reid, Jennifer Sloan and Neil Spurrell.

BURSARIES

Teaching bursaries were won by (higher school certificate), Alan Frost, Ornella Baracioli, Glenda Kemp, Joan McKay, Glenn Smith.

Leaving bursaries: Sandra Hatzis, Harry Laumets, Cheryl Peat, Barbara Green, Roslyn Fenwick, Cheryl Wood.

Commonwealth Secondary Scholarship winners: Form four: Veronica Kochan, Lyndsay Last, James Morton, Robert Thompson, Trevor Williams.

Form five: Pamela Bowman, Cheryl Cameron, Roman Shaw, Raymond Summit.

At the annual inter-house swimming carnival held at Footscray City Baths, the following were champions in their age group:

Gary Read (Junior), Brian Downes (intermediate), and Ken Evans (senior).

Sherril Shaw (Junior), Alison Kemp (intermediate) and Glenda Kemp (senior).

STATE TEAM

In other sporting activities, Don Mills represented Victoria in the under 16 Rugby Union Team.

Patricia Knight won two gold and three silver medals in the Victorian Kayak Championships and her brother, Peter won three silver medals.

Peter Laumets represented Victoria in the under 15 soccer team and David Wood was a member of the under 12 team.

POLLUTION OF THE EAR

"At least 50 per cent. of the pollution complaints received by Altona Council, now relate to noise," Cr. Doug Grant said recently.

Reporting to council on his environment improvement portfolio, Cr. Grant said he would pass onto the City Health Inspector information on how and where to buy a noise meter.

Hello Girls,

Welcome to the wonderful world of Clairol — Firstly a battery driver ladies shaver. Slim gold case, easy on-off switch — and with this shaver you get its companion — Clairol Conditioning Deodorant. These two together make the nicest way to smooth your underarms to the most beautiful bareness.

For the smoothest of shaves — use Clairol Conditioning Deodorant.

One spray of dry mist conditions the underarm and readies it for shaving — as it deodorises. Use it daily.

Girls — we are all familiar with Clairol Great Body — in fact it is so popular that Clairol went ahead and now we have Great Body Shampoo — proteined. It is a pink pearlescent protein conditioner shampoo. It makes your hair easy to manage, leaves it full of bounce and life. Yet so gentle — now note this — it is a shampoo you can use on color treated hair.

For this same reason Great Body Proteined hair spray in either normal or hard to hold strengths is right to use on your color treated hair. Protein nourishes your hair — and keeps it healthy. In fact you are actually conditioning your hair as you spray. A climate controlled spray — it holds in wet conditions or hot humid times.

If you are thinking of giving make up as a gift, there are a few points you need to know about your friend.

To give a cleanser, toner or moisturiser — take a good look at her cheeks and around her nose and chin. Fine skin on both areas means a normal type skin. Red cheeks, or little veins showing — a tender skin a little on the dry side. A few open pores on cheeks and quite a number on a shiny nose — means an oily complexion. Each one of these types prefers a different cleanser etc.

With makeup — you are safest giving a translucent type foundation and powder — these blend over any skin color and aren't too heavy. Try to find out if she likes loose or pressed powder. Is she a pale person — she would find great use for a powdered or cream blusher.

Does she like the latest colors in lipstick and nail polish?

These make it easy for you. And there are wonderful eye colors now.

If it all confuses you — get your friend an Amcal Gift Voucher and let her choose for herself.

Bye.

Laverton-Footscray bus service starts

Laverton residents will have a bus service to Footscray within a month, Cr. Bon Thomas, MLC, said this week.

The bus will travel via Geelong Road, Brooklyn. Final details of the route are being worked out by the operator Altona Bus Lines Pty. Ltd.

Cr. Thomas said the service had been approved by the Transport Regulations Board and allocated to the proprietor of Altona Bus Lines, Mr. Charles Stith, who conducts a number of services in the western suburbs including the Footscray-Brooklyn run.

POPULAR

"The new service will be very popular with resi-

dents of Laverton and Laverton North," Cr. Thomas said.

"They feel isolated by having only the train as their link with Footscray and Melbourne.

"The bus will also provide a link with the industries in the Brooklyn and West Footscray areas."

SUCCESS

Cr. Thomas said the Laverton branch of the A.L.P. had been advocating a bus service from Laverton to Footscray for some time.

He added that the recently established service from Laverton to Sunshine was proving successful.

The patronage of women shoppers had been favorable and it was likely that the operator, Blue Riband Tourist Coaches, would add more buses soon, he said.

The Laverton-Sunshine service started operating each way only on Thursdays and Fridays, departing from Laverton at 10 a.m. and from Sunshine at 1.30 p.m.

Testimonial dinner for school head

A testimonial dinner for Mr. Peter Treyvaud will be held at Altona Central Reception, Altona North, on November 26.

Mr. Treyvaud is retiring principal of Altona Primary School.

Those wishing to attend should forward \$5 single or \$9 double for the dinner and presentation to Mr. G.

J. Murdoch, Altona Primary School, Blyth Street, Altona, by November 13.

Cheques should be made payable to the G.H.L. Treyvaud Retirement Dinner.

Those who wish to donate to the presentation but are unable to attend the dinner should forward donations to the same address.

FORD ADDS CORTINA WAGON TO ITS RANGE

Ford Australia has released a new addition to the highly - successful Cortina range—the Cortina station wagon.

The Cortina wagon will be available in two models, the L and XL, with the same basic equipment as the sedans.

Both the L and XL Wagon have the new 2000 cc OHC engine as standard couple with the 4 speed all synchro floor shift. T-bar, 3-speed automatic transmission is optional.

In addition to the many items of luxury and safety equipment, the main feature of the TC Cortina wagon is the amount of loadspace provided.

The rear seat folds down in an easy one-handed operation to give 64 cubic ft. of loadspace.

The flat floor measures 75.2" with the tail gate closed, has a maximum

width of 50.5" and an interior height of 30.5".

With the rear seat up and all round seating for five big adults, the TC wagon still provides a massive 34 cubic feet of easy-to-get-at loadspace, 37.9" long, and 50.5" wide.

With this amount of space the TC Cortina wagon should prove ideal for camping and other recreational purposes.

In the front compartment the Cortina L wagon has contoured high-

back bucket seats, carpeting, 2-speed heater/demister, flow-through ventilation, special sound insulation and steering column ignition lock all as standard features.

A high-backed front bench seat is available as a no-cost option.

Extra equipment in the XL model includes a centre console, electric clock, woodgrain instrument panel and door trim, and wheel trim rings.

On both wagons the

rear quarter trim panel and tailgate are vinyl covered, while the floor space itself is covered by a thick rubber mat on the L, and deep pile carpet on the XL model.

The tailgate is counter-balanced and designed to be opened in a simple one-handed movement.

The one-piece door swings up and out of the way on a hinge at the roof line.

As in the sedan models the TC Cortina wagon has

a high standard of safety engineered into the car.

Among the many features are a dual-line braking system, big 9.7 in. power assisted front disc brakes, and big B78 low-profile tyres on 5½ in. safety rims.

Passenger protection features include heavily padded instrument panel and sunvisors, shatterproof breakaway rear-view mirror, integral head restraints on both bucket and bench seat models, and safety recessed door

handles and anti-burst door locks.

Childproof locks are fitted to the rear doors. A major safety item is the new "convoluted tube" energy absorbing steering column, designed to collapse under 450 lb. impact.

Turning circle, as on the sedan, is a little under 32 ft. making the wagon ideal for handling in cramped parking spots or manoeuvring into out-of-the-way camping sites.

The all new 2000 cc OHC engine is a natural choice for the TC Cortina wagon.

As Australia's biggest "four," it provides instant

response and high economy for holiday travel or for city driving even with a full load in the back.

Options available for the TC wagon range are the same as for the sedan.

These include 3-speed T-bar automatic transmission sports rally pack, radio, reclining bucket seats and cloth trim.

The TC Cortina Station Wagon is expected to fill a vacuum in the market left by the increasing size and price of vehicles in the medium car class, according to Ford Australia's director of marketing, Mr. K. A. Horner.

MOTORING SECTION SAFETY CAR

General Motors have released the first 50 miles per hour barrier crash test results and design details of an experimental safety vehicle (ESV) it has built to the U.S. Department of Transportation (D.O.T.) specifications as a public service for the contract price of one dollar.

Two of the five-passenger "family sedans" will be delivered by GM to the Department of Transportation in October, 1972. GM is one of four manufacturers that were selected to build the ESV. Two of the remaining contracts with D.O.T. were let

in July, 1970 for a total of \$U.S.7.7 million.

Ernest S. Starkman, GM's vice-president in charge of Environmental Activities, presented an operation version of the ESV at the GM Technical Centre and described the programme as part of the Corporation's continuing vehicle safety research.

"We look upon the ESV project primarily as a test bed for new safety concepts. The cost of manufacturing a vehicle of this type obviously would be prohibitive," Mr. Starkman reported.

ESV Programme Mana-

ger, William B. Larson, said that in the first half of its 28-month special vehicle project General Motors has built "a completely new running car."

As part of the report to newsmen, high speed film was shown of the 50 mph barrier crash test of the first ESV built by General Motors. The film revealed that the ESV test model withstood the severity of the impact remarkably well, with its components held intact despite crash

distortion. This test, Mr. Larson pointed out, is equivalent to a vehicle crashing into a parked car at 100 miles per hour. However, no indication of the survivability of human occupants can be projected from this test.

GMH's share of the Australian vehicle market rose in September, with both the Holden and Holden Torana range achieving increased penetration.

In the second full month

of HQ model sales, GMH's share of passenger registrations rose to 35.2 per cent. compared with 34.1 per cent. in August.

Biggest selling name in the light car market was Torana with both four and six cylinder models recording their highest ratio in their market segments this year.

Particularly significant was a further increase in registrations of GMH V8

vehicles. Topping last month's record total and recording the fifth consecutive monthly increase GMH V8 registrations rose to 2356 units.

This was the highest monthly V8 total ever achieved by an Australian manufacturer. GMH V8 sales during 1971 have already outstripped the total recorded in 1970.

Commenting on September ratio figures the General Sales Manager of GMH, Mr. J. G. Bagshaw, said that it was significant that such a wide range of passenger model types had achieved higher penetration.

Your guide to buying a good used car

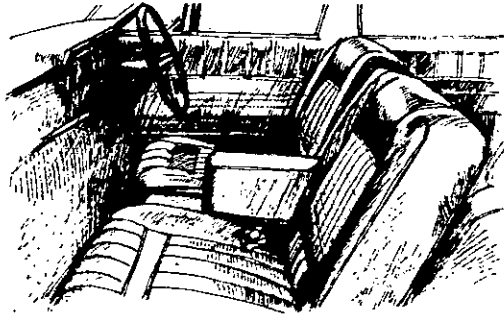

BODY WORK & TYRES UNDER THE BONNET

Inspect bodywork for obvious defects in panels, look for rust. Ensure doors close smoothly and lock securely, headlights, parking and stop lights work effectively. Turn indicators in working order? Look for unevenly worn tyres.

Test the engine for starting, smooth idling, undue exhaust, is the engine clean, no oil leaks. Listen for excessive noise. Test drive to check acceleration and power. Clutch, gears, steering and braking electrical and cooling systems

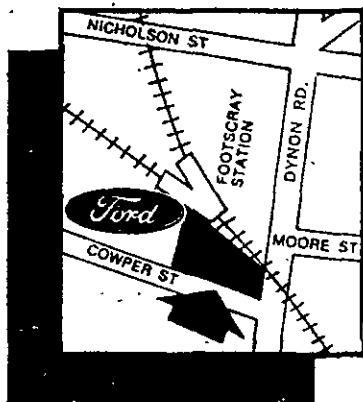

INTERIOR

Check floor, ceiling for cleanliness and condition, seating for upholstery springs. Check steering, accelerator and brake pedals, sun visors, dash panel speedo, fuel gauge etc.

Remember

- Watch for shady deals—gimmicks and free gifts add to the cost.
- Is the guarantee water tight.
- Beware—the cheapest or dearest are not necessarily the best.
- Seek advice of a Reputable dealer.

In your time — — A GUIDE TO LEISURE

By Peter Vaughan

Where in Melbourne can you get delicious charcoal-grilled steaks, served in a cosy and attractive atmosphere by attentive waitresses whilst you enjoy the superb singing of recording artist FRANCISCUS HENRI?

Where else than at CRACKER'S BAR-BECUE INNE (89 Brighton Rd., St. Kilda) on a Saturday night where mine host JOHN GUY ensures that the restaurant lives up to its motto of "Sky-scraper value at submarine prices".

Although Franciscus is there only on Saturday at the moment, John is present every night to take charge of the cooking and make you feel fully at home.

He is a host in the truest form who uses his international experience gained with the Cunard shipping line to provide you with a really enjoyable night out.

The restaurant itself seats 60 (extensions are planned for 40 more) in an intimate atmosphere created by white stucco walls and archways decorated with hides and hunting motifs, carpeted floor and large oakwood tables.

Candlelight only adds to the pleasantness of the whole scene.

The Barbecue Inne cuisine, although small has a good range and features choice cuts of meat which are specially stored to ensure their tenderness and one should not go there

without sampling the steaks or Shashliks.

To augment such a meal of course you can bring your own wine and in my case, I purchased a 1967 Yalumba Galway Vintage Claret which at \$1.45 provided a really excellent red wine that was full-bodied and well balanced.

My wife and I started with a seafood cocktail of liberal serves of lobster and shrimp in a piquant sauce accompanied by oysters and prawns; a recipe John picked up in the Caribbean.

For the main course what else but large tender cuts of steak, beautifully grilled and served with potatoes, sour cream and side salads.

For dessert strawberry pancake, a delicious combination of strawberries, flavoursome pancake and lashings of cream.

To finish off coffee all around.

One would think that such a meal would have cost a fortune but the price (as you can see below) certainly proved the motto of the restaurant to be true and I can most thoroughly recommend Cracker's as one of the best places of its type in Melbourne.

SUMMARY:

Where—CRACKER'S BAR-BECUE INNE, 89 Brighton Rd., St. Kilda.

Cost — Our meal \$7.40 (not wine), average \$5-\$8 for two.

Booking — Essential weekends, Ring 91 5354.

The curtain rises

Members of Williams-town Little Theatre are preparing for the season of **The Happiest Days of Your Life**, which runs from **Wednesday, November 17, to Saturday, November 27.**

By 'Thisbe'

will be made on Saturday, December 11.

The Cordell award for the best performance and the Craven Award for the most improved performer are

presented to the winners at this function.

The evening will commence with a "Basket Tea", followed by some entertainment, awards and supper.

Booking for Happiest Days is now open at E. S. Marr's Music Shop, 49 Ferguson Street, Williamstown.

Trees to beautify the freeway

In the spring of 1970, the Country Roads Board planted about 13,000 trees and shrubs along the Lower Yarra Freeway.

The plants extend for four miles between the Princes Highway near Kororoit Creek and Williams-town Road, Spotswood.

The chairman of the Country Roads Board, Mr. R. E. V. Donaldson, said this week that almost all of the plants were growing well, although some were damaged by recent storms and will be replaced when an additional 1300 seedling trees and shrubs are planted over the next few weeks.

A variety of species have been used both in the median and between the carriageways and the freeway boundary fence, including Eucalypts, Paperbarks, Watties, Hakeas and Tea Trees.

The majority were grown from seedlings obtained from the National Resources Conservation League.

Police watch lights

Motorists who do not stop at the flashing, red lights at the intersection of Pier Street and Blyth Street, face the risk of being booked by Altona Police.

Following a report from its traffic inspector, Mr. J. Hansen, council recently wrote to the officer-in-charge of Altona Police drawing attention to traffic infringements at the intersection.

Replying to the letter, Altona Police advised that considerable attention was paid to the intersection with the view of detecting offending drivers.

The police asked that if the council had any information concerning offences, it would be appreciated if the informant in the matters be disclosed to the police so that the necessary prosecutions could be implemented and the informant utilised as a witness.

Illuminating the vandals

Altona Council has granted permission for lighting to be installed at the Pines Scout Camp Reserve.

Secretary of the reserves management committee, Mr. L. T. Netherwood advised council recently that reticulation work the SEC proposed to carry out in the Pines area would make the extension possible. Mr. Netherwood said the committee hoped that lighting of the area would reduce the vandalism that was occurring.

Dumped dunnage slows race

Large lumps of timber floating on Hobson's Bay caused severe interference to yacht racing on Saturday.

The timber — ranging from 20ft. planks to jagged stumps — was encountered over the entire bay from Williamstown to Port Melbourne and down to the southern reaches of the channel.

Nearly every yacht in the Williamstown Sailing Club fleet of 25 craft reported hitting the timber.

No serious damage was done but many hulls were badly scratched.

Senior club officials said the timber must have been dumped from a ship.
"It was on the bay before

the floodwaters came down the Yarra," said Rob Ballard, National Kitty catamaran champion.

The pollution was only one of the hazards faced by the club's crews. The first breath of the storm which blasted Melbourne hit the club fleet when it neared Port Melbourne.

Wind gusts of 40 knots, slashing rain and rising seas provided crews with a test of skill and endurance.

Ballard, of Windsor, and crew Jim Ramsay, of Williamstown, scored a convincing win in division one of the club championship.

Their Kitty, Joy II, crossed the line 3 min. 36 sec. ahead of Hustler (S. Lanyon, D. Leigh) with Bagheera (G. Lanyon, T. Hartley) 4 min. behind third.

Mark Gregson, of Williamstown, scored his second win of the season in his Arafura catamaran, Lupita. This creditable performance is underscored by this being his first year as a skipper.

Division two for Mirrors saw an exciting battle between Mischief, skippered by model yacht champion, Neil Romeril, and crewed by Ray Everest, both of Williamstown, and Firebrand, carrying the consistent Foord brothers, also of Williamstown.

The two yachts led the fleet throughout, with Firebrand just in front until the last lap when spinnaker trouble in the high wind enabled Mischief to get through.

John and David Foord drove Firebrand forward again nearing the line but Romeril, with his new sails drawing beautifully, crossed the line six seconds ahead.

Another consistent performer, Vicki, sailed by husband and wife team, Bill and Vera Volkmer, of Sunbury, were 2 min. away third.

One of the best performances of the day came from local teacher John Savery, who, with less than one year's experience, came fifth in conditions which flattened many of the club's more experienced sailors.

Ford adds Cortina wagon to its range

Cont. from P.5:

"Although the overall station wagon market has declined in recent years," Mr Horner said, "we believe it has now stabilised."

"In fact one in every eight vehicles now sold in Australia is a wagon."

Mr. Horner said the TC Cortina wagon, at a price of only \$2770, would appeal particularly to young families who wanted extra load space, while retaining sedan car comfort and performance.

The wagon should also prove ideal for the housewife, offering as it does proven economy, ease of handling and convenience for shopping and family excursions.

DEATH OF YOUNG FOOTBALLER

Promising footballer Eric Girardi, 19, died last week after a serious illness.

Eric played 13 games of the Laurel Social Cricket Club.

His funeral was held last Friday at the Footscray General Cemetery, after Mass at St. Augustine's Church, Yarraville.

But he was able to play only one game with his new club before being forced to retire from the game he loved.

Williamstown secretary Mr. R. Swann said yesterday:

"I would like to extend to Eric's family the deepest sympathy of the players, committee and supporters of the club."

"He was a very sincere person, who gained the admiration and respect of the players and the committee."

Eric was also a member

Lifesaving Club plan

At the executive meeting of the Altona Lifesaving Club on November 4 a boat committee was formed under the vice-president, Mr. T. Barnes.

Boat supervisor will be Mr. D. Shanahan.

Boat supervisor will be Mr. D. Shanahan and other members of the committee are Mr. R. Bailey, Mr. G. Shanahan, and Mr. R. Pilbeam.

Dancing will continue until the end of November from November 8.

Reel and line training will be held on Tuesday, November 9 and bronze medallion training will be on Wednesday, November 10.

Swimming is now held at the Olympic Pool on Sunday morning.

There will be no swimming on November 14.

MARCHERS WANTED

The Altona Marching Club is looking for girls aged from 11 years to 14 years to join the club. Interested girls are asked to contact Mrs. Wilson, Ph. 314 5647.

CROSSBALL SUCCESS

Altona Primary School's under 11 girls' crossball team came fourth in the Western District Finals at Maribyrnong.

The team of 10 girls won the Altona District under 11 earlier in the season.

The team was coached by Mrs. D. Harradence.

Also successful in individual events at Maribyrnong were Janet Rice Under 11, hurdles, Carol Beland, under 12 high jump.

Rehearsals for the school's 1971 operetta, *The Gallant Tailor* are in full swing under producer Mr. G. Murdoch, musical director, Mrs. M. Campbell and pianist Mr. A. Stevenson.

The operetta will feature 60 grade six children, other grade members are busy with scenery under the supervision of Mr. C. Muller.

It will be staged at the Altona Civic Hall on November 24 and 25.

Preparations for the retirement dinner of PRINCIPAL Mr. Peter Trevaud in the Altona Central Reception at 7 p.m. on November 26 are under way.

For inquiries contact Mr. G. Murdoch at the school on 398 2925.

Bookings close November 20.

100th GAME FOR FRANK KIRK

Altona Cricket Club president, Frank Kirk will play his 100th game with the club this weekend.

Frank, who is a foundation member of the club is the second player of the club to gain this distinction.

He has taken hundreds of wickets for the club over the past 10 years, with bowling averages for "A" grade in 1963/64, "B" grade in 1966/67, 1967/68 and 1969/70.

When needed, Frank has also proved his worth with the bat.

In the 1970/71 season he played a very important part in "C" grade's win over Spotswood.

President of the club for the past eight seasons, Frank has seen it grow. It now has field and senior 11s and all under-14 and 16 competitions.

GIANT TRUCK

The Terex 150-ton capacity rear dump hauler, recently introduced by General Motors of Canada and now available in Australia, is the largest hauler of its type manufactured in Canada.

Known as the Terex 33-15 model, the unit weighs over 100 tons unloaded and stands 18'7" high. Its overall length is 40'11" and width 20'7". When the rear dump mechanism is fully raised the height exceeds 38', equal to that of an average two story building.

The 33-15 is powered by a 16 cylinder General Motors Detroit diesel engine rated at 1600 gross horsepower at 1900 r.p.m.

Ladies' bowls

Altona Ladies' Pennant Bowls were washed out on October 26, but a Cup Day special was held by the ladies' mixed bowls.

Winners were: I. Nickels, M. Kelly, B. Nicholls, T. Olliver (Capt.).

Interclub day was held on Thursday, November 4.

Winners were: T. Mitchell, E. Russell, C. Cox, V. Sevier (Capt.).

Runners up were: B. Davis, P. Stephens, J. McNielage, J. Douglas (Capt.).

Coming events are State pairs of 12 rinks played at Altona on November 11.

Gala Day will be held on Thursday, November 25 at 11 a.m.

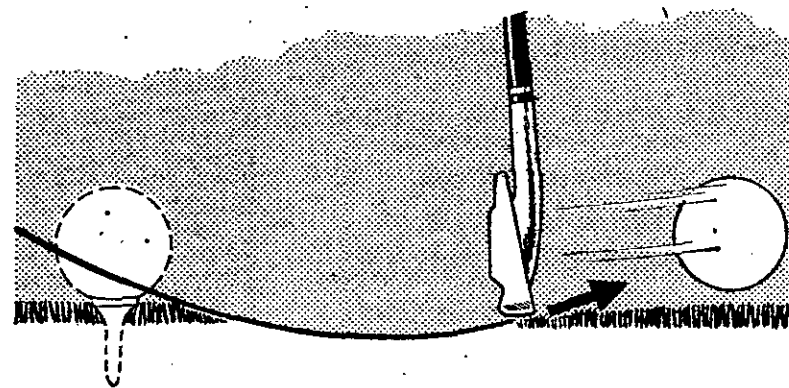

The club would appreciate contribution from members and this would add variety to goods for the stall.

Men's pennant roster for Saturday, November 13:

P. Gischus, E. Gordon, M. Harris and R. Shaw.

Arnold Palmer

Four-Time Winner of the Masters

HIT DOWN ON TEED IRON SHOTS

Most pros tee the ball when they play iron shots from the teeing area. Some amateur golfers seem to think it's "smart" to toss the ball onto the ground and hit the shot without a tee. This only decreases your odds of hitting a solid shot.

I think you will be much better off if you hit these teed iron shots just as you would if the ball were in the fairway. That is, hit down on the ball, contacting it first before you take your divot (see illustration). A firm downward blow into the ball will help you preserve the firm left side and firm left wrist you need for good control on these shots which emphasize direction rather than maximum distance.
